ABSTRACT (Times New Roman 12 pt, Bold)

This instruction provides the required guidelines to let authors write their English abstract in accordance with the format prescribed by the 7th Iranian Biennial Chemometrics Seminar (IBCS 2019). This guideline helps authors to prepare their file in the best manner and the shortest possible time. The abstract should contain the aim and significant findings of the research. The text must be prepared using Word 2010 or higher. The font used throughout the abstract is Times New Roman 12pt, and it must be limited between 250-400 words. Lines are single-spaced. It is recommended that the abstract should be written as a single paragraph. Number the reference consecutively in the order that they appear in the text. Show the reference in square brackets e.g. [1].

Keywords (Times New Roman 10pt, Bold): Please provide up to six keywords. Please try to stick to one line. Separated by “;” (Times New Roman 10pt, Regular)
